

OVER 45 YEARS OF PERFORMANCE DESIGNED SOLUTIONS

APPLICATION: ALUMINUM

## UNI-GUN 85 GP AL Gunned Plastic

More Resistance to **ALUMINUM**

*plus* Less Clogging... Less Rebounds... More Production!

**UNI-GUN 85 GP AL**

**UNI-GUN 85 GP**

Penetration: ..... None  
 Adherence: ..... Moderate  
 Silicon Pickup: ..... 0.05%  
 Iron Pickup: ..... 0.03%

Penetration: ..... Slight  
 Adherence: ..... Strong  
 Silicon Pickup: ..... 0.33%  
 Iron Pickup: ..... 0.02%

### UNI-GUN 85 GP AL ✦ FEATURES

#### Metal Contact

- Unique AL additive package for improved corrosion resistance
- Improved resistance to corundum
- Improved cleanability
- Improved metal penetration resistance
- Similar strength properties to UNI-GUN 85 GP

#### Installation

- No clogging in gooseneck/increased production
- Low rebounds/15% average
- Fast install/3-4 tons/hr.
- Excellent adherence and compaction
- Minimal laminations
